BUILT BEYOND TRENDS

ABOUT **US**

ZEDAROO is a furniture and interior solutions company built around one simple principle — design should work as well as it looks. Backed by extensive experience in commercial spaces, retail environments and custom furniture, we deliver solutions across school furniture, office furniture, educational spaces, corporate interiors, commercial interiors and civil works. Our strength lies in our in-house production infrastructure, equipped for engineered wood, MDF/HDF and metal fabrication, supported by CNC routing, edge banding, panel processing, multi-boring, laser cutting and other modern production capabilities. From concept and detailing to production and on-site execution, we bring multiple disciplines together under one roof—giving us greater control over quality, precision, timelines and finish.

WHY **CHOOSE US?**

- Premium Quality Raw Materials
- Robust and Long - Lasting Construction
- Moder, Functional designs
- Timely delivery and reliable service
- Trusted by Institutions, businesses & professionals
